WELCOME

to the haven

On behalf of all involved at Crawley Down Gatwick FC we extend a warm welcome to the players, management, officials and fans of Little Common FC for today's Southern Combination League Premier Division Fixture. That welcome also of course extends to the match officials. I hope we have an entertaining game.

Little Common: Have had a good start so far & sit in 8th position in the Prem table with 14 points from 8 Games played. Their last 5 league matches have resulted in 1 win, 2 losses and 2 draws. Last Sat they lost at high flying Steyning Town 7-1 and on Tue they beat Worthing Utd 5-3 in the Sussex County Cup.

Anvils: Not a good start from the Anvils with 1 win and 4 losses in their last 5 League matches. In the cups they have fared better with 2 wins a draw and just 1 loss. Last Saturday they lost at Midhurst 2-3. Anvils after bossing most of the game. They now sit in 14th position in the Prem table with 6 points from 8 matches played.

Our Visitors Today

Little Common FC

Little Common Football Club formed originally as Albion United in 1966, when Ken Cherry had a vision for youth football in the area. Initially two youth teams were formed one at Under 16 level and one at Under 14 level. However, the two teams grew like topsy and today the club runs sixteen youth and four senior teams.

Albion United started life in the Hastings League and was very soon running two sides instead of the planned one and they moved to the East Sussex league. That league held no bounds for the highly successful United sides and after the double winning success of the 1977/78 season the club successfully applied to join the Sussex County League Division Two.

In 1974 the club committee decided to provide the club with its own club house and changing rooms, to include showers and a bar after spending eight years on grounds which did not have such facilities. The club obtained two prefabricated houses which were built in Fulham at the end of the Second World War. They cost £250 each and the necessary planning permissions were given. The club erected these two buildings, joined together, to make one large building; half was changing rooms, showers and toilets and the other half lounge and bar.

This became the clubs home on entry to the Sussex County League and their first season saw them finish in the top five and they reached the Division 2 Cup Final only to be beaten by Crowborough Athletic. Subsequent seasons saw the club occupy a mid to lower position in the table, actually finishing bottom in 1980/81 and 1981/82 (Division Three was not formed until 1983). Albion enjoyed their best placing since entering the League when they finished 6th in 1985/86 and changed their name to Little Common Albion at the end of that season.

The newly named club again finished in 6th place the next two seasons, before their fortunes began to slump once again. In 1993/94 they were relegated after finishing bottom; and left the League altogether after finishing 15th of 16 in Division Three the following season. The 1990s proved a difficult period for the club and they re-joined the East Sussex League. A third consecutive relegation was a huge blow for the club and in the space of just three seasons they had gone from playing senior football to junior football.

The club committee decided that in order for the club to progress further new facilities were required in order to attract and retain players. Buoyed on by a thriving youth policy the club began its rebuilding process. The club joined together with the local council and cricket club in order to develop a project to build a new sports pavilion. After many years of hard work by all involved the project finally began to get moving and in 1999 a £262,000 Sport England Lottery Grant was awarded for the project. Building finally began in 2001 and the club moved into its new home in November 2002.

On the pitch the clubs fortunes continued to fluctuate, a successful 1998/99 season saw Common just miss out on promotion to Seaford before being relegated the following season. A rise followed with an instant return to the Premier Division and after avoiding relegation on the final day of the 2003/04 season the club committee decided to make a concerted effort the following season to realise its ambition of a return to the Sussex County League.

After spending ten seasons in the East Sussex League, the club were successfully crowned Premier Division champions in the 2004/05 season and applied for a return to the County League. After carrying out the essential work to their ground to achieve promotion the club was successful in its application. After spending four seasons in Division 3 the club was promoted to Division 2 at the end of the 2008/09 season after clinching the second promotion spot on the final day of the season against Bosham. The club went on to record a 4th place finish in the 2009/10 season before a mid-table finish in 2010/11.

The 2011/12 season saw a change in management after a disappointing start to the campaign, Russell Eldridge returned to the club and a win on the final weekend of the season saw Common finish outside of the relegation zone. The 2012/13 season saw the club finish 3rd but ground grading regulations prevented the club from being promoted. At the beginning of 2016 the club lost its founder and chairman, Ken Cherry, fifty years after forming the club. The 2016/17 season saw Common finish runners-up to Saltdean United and their highest ever league placing, once again ground grading regulations prevented them from being promoted to the Premier Division and a ground share agreement was secured with Eastbourne United for the 2017/18 season.

The Commoners went on to claim the Division One League and Cup double in the 2017/18 season to seal a place in the Premier Division for first time in the club's history. Despite a tough season the Commoners enjoyed a good end to the 2018/19 season to finish outside of the relegation places and secure another season in the premier division. The following two seasons saw the Commoners comfortably placed when the league season was curtailed due to the Covid pandemic, during the 2020/21 season, Common's all-time leading goal scorer, Lewis Hole, scored his 350th goal for the club.

In September 2020, the club finally received planning permission to enclose their ground and make the necessary improvements for Step 5 football and in January 2022 the club finally returned to its home at Little Common Recreation Ground. The club went on to record its highest ever league finish in the 2021/22 season followed by its biggest points tally in 2022/23.

FROM the typewriter

It is another record-breaking year for Crawley Down Gatwick as the club boasts a remarkable 29 teams for the 2023-24 season. This includes 27 teams or training groups from U5s up to U16s – boys and girls – plus the U18s and the first team. Just over 10 years ago, that tally was 12 teams, including the first team. The club has come a long way and let's remember that Crawley Down is just a village – a growing one but just a village.

A large part of the growth is the number of girls-only teams. We have teams playing in the Sussex Women's and Girls' League from U10s up to U15s, plus training groups covering U6s to U9s. This part of the club has exploded and it is great to see.

But interest in the club is growing at every level. A new group of U5s started their football journey last Saturday morning with 20 four-year-olds present and a waiting list already in place for that age group. In addition to that, the club has already started a list of enquires from families wishing for their child to start as an U5 in September 2024.

In the last year we have also had to say no to three other teams being started – each being second sides at different age groups – purely because the club has run out of capacity in terms of pitches.

Each of our 'boys' teams are registered with the Sussex FA as mixed groups because we like to make them open to girls as well as boys and some girls do play for those sides. We do not have an U16s team this season due to last year's U15s deciding not to continue and that is one disappointment, but we are delighted we have competitive teams in the other 'older' age groups, meaning there will be a good conveyor belt of talent to feed into the U18s in the next few years.

At U15s level we have two sides playing in the Horsham League – one in Division A and one in Division C, both after winning promotion last year. Both made winning starts to the season last weekend, with the Hammers winning 6-2

against Horsham Tigers in Division A and the Anvils beating Chailey and Newick Colts 6-4 away in Division C.

We also have two teams playing in the Horsham League at U14s level. Our Anvils began their Division A campaign with a 7-1 success away to Henfield, while the Hammers lost 2-1 at home to Broadbridge Heath in their first game since promotion.

Our U13s just missed out on promotion from Division Four of the Mid Sussex League last season but they look like they will be a threat again this season after winning 19-1 in their first game of the new campaign, which was a cup fixture. Obviously, those results are never welcome in youth football but you can only beat what is in front of you and it was pleasing to see five different players scoring hat-tricks.

U12s are the youngest age group where results are published and our U12s team in Division C of the Horsham League began the season with a 5-3 win at home to Lingfield.

At all levels, there is plenty to be pleased about at Crawley Down Gatwick.

IEnjoy todays game

FROM 'The Dugout'

Good afternoon everyone and welcome to the Haven for today's game against Little Common.

It's safe to say that the start of the season has not been as smooth as we would have hoped or anticipated. Whilst I expected a bit of bumpy start, after the come down of last season's antics, and with the tough fixture list, both injuries and unavailability have plagued us, making it nigh on impossible to pick a consistent squad or starting 11. This has resulted in a number of results which haven't been up to the standard we have come to expect. Having said that, the squad is still very much committed to rediscovering last year's form, and is working incredibly hard in training to get things back on track.

Two weeks ago we played Crowborough away in a tough fixture. Crowborough had a good season last year, and have strengthened again this season. We went into the game with a decimated squad, but played well, particularly in the first half. An Alex Tidy goal made sure we held the lead at the half time whistle. In the second half Crowborough pushed forward, and their pressure eventually lead to an equaliser. This changed the game, and not long after Crowborough took the lead. We then had a great chance to equalise, Rhys White going through one vs one, but he couldn't quite score from a tight angle. In the final few minutes, Crowborough extended their lead to win the game. A frustrating one, as we had played well enough to take at least a point.

Last week we played Midhurst away in the midsts of a late summer scorcher. Unfortunately, due to family commitments, I was unable to attend, so Matt took the reigns for the day. Last season's game against Midhurst was a bruising affair, but we took the three points, which ultimately set us up to finish second in the league. On Saturday, we

started brightly in difficult conditions (both the heat and a bobbly surface). We took the lead midway through the first half, a quick break down the left saw a cross turned into its own goal by the Midhurst defender. Unfortunately, not long after that we lost Rhys White to another injury (hamstring), which resulted in u18 Jake Neaves making his first team debut. Just before halftime, Midhurst equalised. A clever free kick was driven across our six yard box and the Midhurst attacker reacted quickest to score from close range. Annoyingly, before halftime, we had a great opportunity to score a second. Nick Sullivan rounded the goalkeeper but only to see his shot saved on the line, Lewis Gould then hit the rebound against the bar, and then Jake hit the second rebound against the bar again! You couldn't make it up. The second half was one to forget. We conceded two further goals, both very preventable, before Torran Sawle (another u18 debut) scored a consolation goal just before the final whistle. Another game where we should have taken at least a point if not more.

Despite our difficult form, we are committed to turning the corner and today's game provides us with another opportunity to do so. We welcome Little Common to the Haven. They've had a mixed start to the season, with some noticeable victories alongside some heavy defeats. Last year we had two good games against them, and I expect today to be no different.

Enjoy the game

A message from The FA & endorsed by CDG about anti-social and criminal behaviour

As we commence the new season we want to make you aware of new measures being taken across all of football, and the NLS, to ensure everyone can have a safe and enjoyable experience. We are supporting strong action from the FA, and across the NLS to tackle anti-social and criminal behaviours that put all of us at risk.

Please remember the following activities are illegal, dangerous, have serious consequences and have no place in our game:

- Carrying or using smoke bombs or pyros
- Invading the pitch or entering the pitch without permission
- Throwing objects onto the pitch
- Drug use within the football ground
- Discriminatory behaviour

For everyone's safety, we will report anyone carrying out these offences to the police, which can result in a criminal record.

Anyone who enters the pitch without permission and those carrying or using smoke bombs or pyros will now receive an automatic club ban. These measures could also now apply to the parents or guardians of children involved in these activities.

This reflects the seriousness of the risks to fans and staff – pyros can burn at 2000 degrees Celsius and cause life-changing injuries, while entering the pitch endangers players, managers and match officials. It also impacts the hard working volunteers, who ensure that our special part of the game continues to run.

We know those who commit these illegal acts do not represent the majority of supporters. Please work with us to call out the risks.

#LoveFootball #ProtectTheGame

**ANYONE WHO ENTERS THE PITCH
WITHOUT PERMISSION AND THOSE
CARRYING OR USING SMOKE BOMBS
OR PYROS WILL NOW RECEIVE AN
AUTOMATIC CLUB BAN.**

FROM 'The Chair'

At the outset let me admit that I am going to be a bit lazy and do a combined set of ramblings for the home league game against Little Common on the 16th and the RUR Cup fixture against Wick on Wednesday 20th. So, if you are visiting us as a supporter of Little Common or Wick I extend a warm welcome and I hope you enjoy your visit to the Haven. As a thank you to our small but very loyal band of supporters there is free admission for the Little Common game. The main reason for my indolence is that I am writing these notes in the South of Spain, Marbella to be exact, and basking under a never-ending blue sky with the dial at 28 degrees. Despite a lovely cold beer, the conditions are not conducive to thoughts of football or indeed anything else.

Unusually we played four games since I last put pen to paper, metaphorically. We lost 3-1 at the Haven to Peacehaven. We were 2-0 down at half time and 3-0 down before Oli Leslie scored a consolation late on. I still have no idea why it is called a consolation. It most certainly was not. Probably the only highlight was Lewis Croal not scoring against us on his return!

On the August Bank Holiday Monday we entertained AFC Uckfield Town. It was one all at half time, our goal from Oli Leslie. In the second half we dominated and three late goals from Oli, Ben Chowney and Ben Connolly secured a valuable three points.

Next up we headed to Crowborough. In line with the recurring theme for the season so far, we played really well, in my view we were the better side throughout, but came away with nothing. Alex Tidy gave us the lead just before the break with a well taken finish. Crowborough scored twice in a six minute spell from the 71st to the 77th minute. We pushed for an equaliser and we went tantalisingly close through Rhys White before the Crows sealed it in the 89th minute. Signal dejection for us and massive relief for the home side. At the very least we deserved a point.

I missed the away game at Midhurst because of a minor injury, bravely borne. From what I can gather it was more of the same. we played really well, in the view of everyone I have spoken to, we were the better side throughout, but came away with nothing. We scored first through Lewis Gould. It was level at the break. Midhurst went 3-1 up before another "consolation" goal, just before the end, from Torran Sawle on debut. The perfect illustration of our current

travails was striking the woodwork three times within a matter of seconds but not being able to convert.

The under 18s have had a great start to their season. In their first league game they beat Steyning Town 7-1. The next game was home to Raynes Park Vale in the FA Youth Cup. It was one of the best games I have ever seen at the Haven at any level. Both teams played some really good football throughout. We were 2-1 down approaching 90 minutes and I must admit I thought it was going to end up in a gallant defeat. Then captain marvel, Alex Tidy, slotted home two quickfire goals to complete a memorable hat trick and propel us to victory. The "reward" is an away tie against Three Bridges which will be played on Monday 18 September with a 19.45 KO. It would be remiss of me not to comment on the exemplary sporting behaviour of everyone connected with Raynes Park Vale. It must have been a bitter pill to swallow losing a game at the last minute that they must have thought they had won. However, they all came in for post-match food and there was no hint of bitterness or resentment of any kind. It was a joy to watch a brilliant game and to meet such really sporting players and management. On Sunday the 18s won their second league game 9-1 against a battling Billingshurst side who in fairness to them battled bravely to the end.

Enjoy the game today and on Wednesday. Go to Three Bridges on Monday, if you can, to support the Under 18s. Thanks for your loyal support. I'm certain that with a bit of luck the first team will turn things around in the coming weeks.

Enjoy the game and thanks for your support. It helps the team and is much appreciated.

ANVILS 'The History'

Crawley Down Gatwick FC have made a remarkable rise from parks football to the Ryman League in less than 20 years. The club was only formed in 1993 but have enjoyed the type of success many could only hope for in their short history. In 2011 Sussex County League title success and promotion to Step 4 Football was followed by an appearance at the AMEX in the Sussex Senior Cup Final in 2012.

1983-95 Delving back into the history books to 1983, Crawley Down United could be found nestled in Division Six of the Mid Sussex League. By 1988 the club had risen to Div One, winning three league titles and finishing runners-up on two occasions. After three seasons in Div One they won promotion to the Premier Division as runners up to Lindfield. **1993/94** culminated in a merger of four local sides and adopting the name Crawley Down Village they finished third in the following season. 1994/5 they claimed their first Premier Division title by a massive margin of ten points from 2nd placed Wealden.

1995-2003 In 1995 the Anvils joined the Sussex County League Division Three. In the first season they finished second and found themselves making an even swifter move into Senior Football. They also reached the final of the Intermediate Cup. The first two seasons in Division Two provided much sought after consolidation but in the 1998-99 season they finished in a promotion position but only to be denied a place in Division One because they could not persuade Mid Sussex District Council to allow the installation of floodlights in time. The following season they thought they had finished in a promotion spot again only to be thwarted by a late decision to award Lancing three extra points after Mile Oak had fielded an illegible player. The next four seasons were not so easy for the club with changes of management and they finished no higher than 11th in that period.

The 2004-07 era was better as they finished tenth and fifth and In the Division Two Cup, they reached the semi-final stage two years running. 2006-07 was a struggle only staying up after an outstanding finish to the season loosing just two of the last 14 matches. Cup form: Q/F of the Sussex RUR Cup and the Div Two Cup.

2007-08 was a massive year for the club as the culmination of 10 years' hard work behind the scenes paid off with the Anvils given the go ahead to upgrade facilities. Floodlights, hard standing and stands followed and were in place for the start of the new season. The Team finished 6th and reached the semi-final of the John O'Hara League Cup. In the FA Vase they reached the 4th round losing away at Brockenhurst. The Anvils also entertained Brighton & HA in the Sussex Senior Cup. By now, the club were gaining momentum on and off the pitch and they finally won promotion to Div One with a third place finish.

2009-2010 Many expected the Division One new boys to struggle but they defied the odds to enjoy a tremendous season, finishing eighth in the league and enjoying good cup runs in the FA Cup and FA Vase as well as reaching the League Cup Final.

2010-11 Proved to be the most successful season in the club's history as the Anvils won the County League Division One and promotion to the Isthmian League by a margin of 15 points as well as winning the RUR Cup. They reached the semi-finals of both the John O'Hara and the Sussex Senior Cups where they lost to Blue Square prem side Eastbourne Borough. **2011-14** Saw the Club compete in the Isthmian South for the first time and the Club set about building a team to compete at this level, finishing in 15th place and also getting to the Sussex Senior Cup Final at the AMEX, losing out in the last minute to Ryman South Champions Whitehawk. A name change to Crawley Down Gatwick FC was approved highlighting the wider area to which the Club is now associated. **2012/13** Season started remarkably well with the team topping the Ryman South table through to November but finally finishing in 13th position. Forced Manager changes meant a massive dip in form in **2013/14**, which saw the Anvils end up second to bottom and relegation.

2014/15 The Club rejoined the Sussex County League, unfortunately a 2nd relegation followed to the newly named Southern Combination League Div 1. **2015/16** saw the revival of the side under Paul Cooper as the rebuilt Anvils challenged at the top all season, finally finishing in 2nd place to Haywards Hth Town and 14 points clear of 3rd placed Oakwood to gain promotion back to the Southern Combination Premier Division.

2017-23 Back in the SCL Prem the side continued its improvement finishing in a mid table position and reaching the RUR Cup Final in that first year. The following season they achieved a mid table finish and a PB cup Semi final. James Day took over the side from **2018-19** and did well in his first season as the side finished in 9th place with 57 points. **2019/21** Covid dominated and the League was abandoned with CDG in 6th Pos. **21-22** the team again ended mid table and a run to R3 of the FA Vase. **22/23** Proved to be a very good season with The Anvils finishing in 2nd place behind Broadbridge Hth & losing out on promotion to Isthmian side Sutton Common Rovers in a promotion play off.

The Story Continues.
